## Welcome Message

It is my pleasure and honour to extend to you a warm invitation to attend and participate in 5<sup>th</sup> EHS International Obstetrics & Gynecology Conference on 10<sup>th</sup> & 11<sup>th</sup> October 2026 which is to be held in Hilton Garden Inn Dubai Business Bay, Dubai, UAE.

This is CME accredited and the theme of the Conference ***“Excellence Without Compromise : The Next Era Of Women Health”*** truly reflect current trends, recent advances, and new approaches in the field. It will provide a platform for several experts, administrators, policy makers, clinicians, and researchers, to productively engage and mutually exchange theoretical knowledge, and real-time experiences.

This 2-day conference consists of a keynote, plenary talks, workshops, poster presentations with both academic and practical scientific sessions. Each day will start with a plenary session addressing a current issue of importance. After the plenaries, the scientific committee has organized parallel multidisciplinary sessions, long oral presentations, and short poster presentations on the major topics.

I hope the deliberations from various distinguished speakers at this special conference will be an enriching and immersive experience for the participants - one of renewal, learning, growth, and connection.

I would also like to thank the organizers and all the hands that have worked relentlessly in carrying out this mammoth task. I wish you the very best for a successful and fruitful conference. It would indeed lay the foundation for many such platforms for interactions between experts around the world. I look forward to meeting you all in the Conference.
